

Relaxation of Fee Payment Deadline for New Students

Dear Students,

We have communicated a fee payment deadline for you in the admission offer letter. In accordance with an advisory received from AICTE in the light of the Covid-19 associated lockdown, we will not enforce this deadline if you are having difficulty arranging for money in the lockdown period. In case you need an extension for fee payment, we would appreciate if you could please send us an email about the same. Thereafter you will be required to fill a Google form related to extension of fee payment. Admissions Team of IMT Nagpur will share the link for the Google form through an email as a response to your mail.

We hope this will help the students to plan payment of fees conveniently.
