Highlights of the Program

- This MDP was conducted “Live on-line” on Microsoft Teams platform from 14th to 19th December, 2020.
- 4 sessions of 90 mins duration each were conducted every day during the program.
- Though it was an on-line program, due care was taken to keep the audience engaged in the sessions by making them interactive and activity oriented.
- The feedbacks received from the participants during the Valedictory function were encouraging.
